1. Attention students: LT Cheer trouts will be held today. If you have any questions, please contact Ms. Drenning.
2. Attention students: Spring Pictures will be taken in the gym today right after school. Please remember to bring/wear your uniform.
3. Reminder to all underwater robotics stem club members we will meet at Gurrie tomorrow morning at 7:45 sharp to leave at 8am. We have safety check first so we cannot be late. Good luck, happy flying and we got this! See Mrs. Halper if you have any questions.
4. Gurrie blue played a tough game against Washington yesterday at Sedgwick field. The game saw excellent leadership and energy from game captains Katie Prystalski, and Johnny Garcia and great sportsmanship from an opponent in need by Kevin Zapata. Alex Toledo played the goal hard but the defense couldn't keep shots off goal. Gurrie soccer will practice today and hopes to turn around their season in a week full of games next week. Players don't forget we have team pictures in uniforms during practice today.
5. Yesterday, the girls softball team played Park. The girls came out with great defense at the start. We had multiple double plays made by Lillian Prendergast, Kyla Kirby, Fatima Gallegos Martinez, and Lindsey Rickman. Chrissy Thorpe made her debut as pitcher with 7 innings of great pitching. The girls were aggressive with their bats with every player on the team hitting the ball! Huge shout out to Lillian Prendergast for scoring her first homerun of the season! Despite the loss, the Tigers came out to play!
