There are opportunities to plant and clean up parks, organize food or supplies for food pantries or shelters as well as crafts to cheer up senior citizens. If you would like information, see Mrs. Rupert in room 109.
2. Attention 8th graders:
You will receive (or already have received) information from your adviser about an opportunity to recognize a staff member who has made a positive difference in your life during your time in District 105. We'd like for you to think about a teacher, coach, club sponsor, director, or other staff member who has had a positive impact and recognize that person. Information on how you can do that are in the document you have received. You can also find this information on our website and it has also has gone home in the weekly email to families. Please submit your entry no later than Friday, April 27th. Talk to your adviser or Mr. Hood if you have questions.
3. Not only was it opening day for the Chicago Cubs yesterday, but also the Girls Softball Team! Although both 7th and 8th grade teams came out with a loss, there were some big defensive plays by Lillian Prendergast for the 7th grade team, and Erika Betancourt, Sofia Cabrera and Kyla Kirby for the 8th grade team. Grace Sneed and Erika Betancourt did an excellent job pitching for both teams. Tigers will travel to Pleasantdale tomorrow for our second game of the season. Go Tigers!
4. All softball players interested in ordering apparel need to turn in their interest forms to Coach Vogg by the end of the day. No money is required at this time.
5. The boys volleyball teams traveled to Washington yesterday for their first game of the season. Having only one practice so far, the 7th grade group came out swinging with excellent plays at the net from Patrick Wentstrup and Jake Warkentein. Sammy Kogen and Santos Anda showed excellent court awareness with huge defensive plays on the back-court. The young team took this match to a third set in what resulted as a hard-fought loss. 8th grade started the season off strong with flame serving from Thomas Kawczynski and good all-around ball control from Mathew Dahl, Billy Bach, Nano Esquivel and Christian Koos. Salvador Lopez stepped up in his debut performance, making great plays from the front and back row, helping the 8th grade squad secure their first W. The team will head to Pleasantdale tomorrow for their second match. The home opener is next Friday, April 20th against Highlands.
