1. Please support Cole Kostrzewa's Eagle Scout Project. The project is collecting toys for children being treated for leukemia. The toys will be given when the kids have difficult procedures and surgeries. Suggestions for toys include stuffed animals, dolls, craft kits and Legos. There is a collection box in the foyer and will be there until May 5th.
2. Gurrie Gold played Washington Red yesterday in their debut game. After two rainouts, the team was ready to play. Michael Springer came in strong with our first goal of the season with assists from Jackson Kirk. We had great aggressive plays made by Marko Dubak, Marco Toledo, Jacob Campbell and Armando Cazares. There were amazing saves made by our keepers Hussein Bato and Grant Dixon. There was also great energy from our defense with key players Gaby Quintana and Gaby Pantaleon. Despite a loss, the team showed great effort!
3. Results of the Blue Soccer Game: Gurrie Blue Soccer Team kicked off its season with a tough game against Washington Blue. The game started off with Gurrie down 1-0 but Diego Lopez, Maggie Cavanaugh, and Ivan Villalobos quickly became a force to be reckoned with and prevented Washington from having shot on goal allowing Michael Rocha to score not once but twice to bring Gurrie in the lead 2-1 into half. Gurrie blue played a hard second half but Washington scored at the end trying it 2-2 bringing us into a shoot out. Ultimately Washington Blue won 3-2 after 4 shots. Gurrie Blue plays Pleasantdale Friday at Walker Park.
