                         April 28      Kayla Tlaseca  
                         April 29      Kathryn Hess  
                         April 29      Matthew Weyrick

1. Please support Cole Kostrzewa's Eagle Scout Project. The project is collecting toys for children being treated for leukemia. The toys will be given when the kids have difficult procedures and surgeries. Suggestions for toys include stuffed animals, dolls, craft kits and Legos. There is a collection box in the foyer and will be there until May 5<sup>th</sup>.
2. 8<sup>th</sup> graders-don't forget to submit your teacher recognition by Monday, April 30. We've extended the deadline a couple of days. Your advisors should have additional information sheets if you need them. We will celebrate you and your recognized staff member at a luncheon on Monday May 7<sup>th</sup> at 1pm.
3. Gurrie Students,  
Do you know that small children begin learning to read before they enter school? And do you know that small children who have great books to read at home with their families tend to be more successful in school and that helps them be more successful in life?

7<sup>th</sup> Graders...Do you want to be part a project that helps get some great books in the homes of small children living in our community? Consider joining ***the Little Libraries Project.***

On Thursday, during advisory, 7<sup>th</sup> graders received a flyer with information about this project. An informational meeting to learn more about how you can make a difference and become part of this effort will be held next week.

There are two opportunities to get more information (you only need to attend one of them).

Monday, April 30<sup>th</sup>

-or-

Wednesday, May 2<sup>nd</sup>

These informational meetings will take place during 7<sup>th</sup> grade lunch in the LLC. Check in with the lunch supervisor and let them know you'll be attending.

See Mr. Hood if you have any questions.
