Bring all your belongings including your gym shoes, cleats, soccer clothes and backpack outside with you as you will not be going back inside at the end of practice. We will go over team expectations, practice schedule, and the skills assessments today. Skill assessments end at 5:00 so have your ride arranged ahead of time to pick you up at the back of the school by the fields. If you have any questions about today please see Coach Motto or Coach Gjoni.5.
5. 8<sup>th</sup> grade student Cole Kostrzewa is working on an Eagle Scout Project for the Boy Scouts. This project is focused on collecting toys for children who are fighting Leukemia. The toys will be given to children when they are having difficult procedures, surgeries, or other health related issues. Any toys you can donate would be greatly appreciated and make such a positive difference in these kids' lives. Suggestions for toy donations include stuffed animals, dolls, craft kits or Legos. Please bring your donation to school and you can put it in the orange box located in the main entrance area by the school office. You can donate to this great cause until May 5<sup>th</sup>. Thank you!
