8. The wrestling team had their second home meet against an experienced Glenside Middle School team. Luka Tomich made easy work of his opponent with another season pin in the second period. Benny Silva was able to wrestle up against his opponent, showed his aggressiveness, and also walked out with a pin. Finally, Rolland Connelly had the match of the night, just edging out his opponent by fighting off his back in the final seconds with a 4-3 victory. Overall, huge improvements have shown as the team is about to enter the last stretch of their season and all of it will be tested at the end of the month with the regional tournament. Keep raising the intensity and good luck the rest of the season."
