1. The Gurrie Green Team is kicking off the new year with some fun activities! Join us to learn about our new ESP program (Energizing Student Potential). We will learn about the way energy is consumed here at Gurrie as well as in the local community. Come to the meeting on Thursday after school to learn about upcoming events and field trips. We will meet from 3:15 to 4:00 in room 212.
2. Underwater robotics STEM club will meet after school today until 5. We must get motors and manipulators attached for our first pool trip in a couple weeks. Our intermural will be here before you know it! See Mrs Halper if you have any questions!
