

GURRIE MIDDLE SCHOOL STUDENT BULLETIN  
Tuesday, May 14, 2019

HOT LUNCH:           Popcorn Chicken  
                          Cheeseburger

BIRTHDAYS:           No birthdays today

1. A lot of reading is happening around here. We have 23 Million word readers with several students very close to reaching that goal. Be sure to enter your reading in to STUDENTREADING.net as you finish your books. The top 50 readers, based on the number of words read will be announced and rewarded at the end of year awards assemblies. Happy Reading!
2. Reminder that the Food for Fines program is running through the end of the month in the library. Don't forget to bring in can foods to take care of your pesky library fines. For more details, see Mrs. Sutsser or Mrs. Chase.
3. Yesterday Gurrie Blue played against Willow Springs. Trying out a new formation and continuing to learn to communicate, the defense led by Alex Toledo and David Diaz really kept the ball away from Blue's half. Strong midfield blocks were completed by Michelle Torres who continues to be a force to be reckoned with this season. Defense saw great plays by Eric Gonzalez, Devell Britmon and continued by Katie Prystalski. Despite playing the entire game, Kevyn Vital stayed energized and made great offensive plays with Luis Salinas. With the extremely small goal nets the team struggled with the small precision window but, Jonathan Flores scored with the assist by Michael Rocha to give Gurrie the win. Gurrie soccer continues today with a tough game against Washington. Go Blue, Go Tigers!
4. Calling all seventh grade advisories! We will be collecting items to help a group called Care for Real who provide clothing and personal care items for local refugees and other local people in need.

There is a box in your advisory where you can place items that are on the handouts that were passed out last Friday. The collection will end Friday May 24th and the advisory with the MOST collected items will win a popsicle party! Please donate as much as you can to help Chicago Refugees. See Rayna, Caitlin, or Sarah if you have any questions - or see your 7<sup>th</sup> grade advisor for an extra list of items to donate!

5. Robert Louis Stevenson once wrote, "'Don't judge each day by the harvest you reap but by the seeds that you plant.'" The Green Team will be meeting after school today, Tuesday, and Thursday to continue planting seeds throughout our garden. Join us to take part in the most important step towards appreciating food and flowers...the

planting. We'll be sowing pumpkins, herbs, sunflowers, tomatoes and more. All meetings will be till 4pm. See Mr. Eigel, Ms. Kowynia, or Mr. Driscoll for details.
