2. The PTO is hosting a Gurrie Restaurant Fundraiser on Thursday, March 8th all day at Cheesies's on LaGrange Road. 20% of sales will be donated to the Gurrie PTO. Stop in for lunch or dinner and stay to be social!
3. ATTENTION ALL 8TH GRADERS! Did you know that there are less than 2000 giant pandas left on this Earth? They are in vulnerable status and face numerous threats including habitat loss and hunting. Forest destruction limits pandas' access to bamboo and they need to eat 26-84 pounds of bamboo a day to survive. Poaching the animals for their fur is also a constant threat to these gentle giants. Come support these animals at a 3-on-3 basketball game on Friday, March 9th. There will be a sign-up sheet available at lunch today. Teams will consist of 3-5 people and will cost \$12 per team. Contact Posey Graber or Ella Bylsma for any questions.
4. The girls volleyball team traveled to Willow Springs yesterday looking for a big win in the final stretch of the regular season.

After a slow start, 7th grade turned things around in the first set with key serving from Nikki Avizius. They pulled through in the second with big plays at the net by Sammy Shanahan and excellent hustle from Maddie Gonzalez. Lily Prendergast put an exclamation mark on this win with dominant attacks from the front and back row.

8th grade pulled out to an early lead with aggressive serves from Ella Rovai. Ana Brown and Grace Kernagis led the offensive attacks in the second, and a huge block from Sophie Peto helped this group earn their 7th win on the season.

Come out to show your tiger pride next week as the girls host their last two games on Monday against Park and Tuesday against Pleasantdale.
