BIRTHDAYS: No Birthdays Today

1. Please support Cole Kostrzewa's Eagle Scout Project. The project is collecting toys for children being treated for leukemia. The toys will be given when the kids have difficult procedures and surgeries. Suggestions for toys include stuffed animals, dolls, craft kits and Legos. There is a collection box in the foyer and will be there until May 5th.
2. Gurrie Students,
Do you know that small children begin learning to read before they enter school? And do you know that small children who have great books to read at home with their families tend to be more successful in school and that helps them be more successful in life?

7th Graders...Do you want to be part a project that helps get some great books in the homes of small children living in our community? Consider joining *the Little Libraries Project*.

On Thursday, during advisory, 7th graders received a flyer with information about this project. An informational meeting to learn more about how you can make a difference and become part of this effort will be held this week.

There are two opportunities to get more information (you only need to attend one of them).

Monday, April 30th

-or-

Wednesday, May 2nd

These informational meetings will take place during 7th grade lunch in the LLC. Check in with the lunch supervisor and let them know you'll be attending.

See Mr. Hood if you have any questions.

3. Reminder IMSA Fusion will meet today in Ms. Calder's room. Be sure to bring your pizza money! We will finish our work in the courtyard today.
4. Gurrie Blue is shaking off those first loss jitters and proving to be a team to be reckoned with this season. Blue soccer team played a hard game against Highlands Blue yesterday but came out with their second win with a single goal from none other than our star defender Diego Lopez. Roberto Llanes, Evan Konkey, and Devany Ramirez played a great game keeping keeping that 1-0 triumph. Gurrie Blue plays again today against Park Red, Go Blue!

5. Yesterday volleyball took on the Park Patriots at home. 7th grade played first and took on a tough Park team. Despite some amazing serving from Peter Sanchez and strong back row passing from Emmett Driscoll the Tigers fell short.

8th grade was on the court next and battled tough, too. Both sets were nail biters but the Tigers lost. Connor Crowe was a dominant net presence in the loss and Christian Koos added strong serving.

Tigers resume gameplay today at Willow Springs.

6. Gurrie Gold had an amazing game against Highlands yesterday! We turned our two Ls to a W, with our first win of the season! Our dynamic defense consisted of Kayla Tlaseca, Gaby Quintana, Grant Dixon, Hussein Bato, and Moses Kimble. Our offense did a great job in moving the ball, with plays made by Samantha Basquez, Armando Cazares, Marco Toledo, Julio Fulgencio and Emilija Bozovic. Our top scorer was Michael Springer who made four goals to lead us to our win. Great job Gurrie Gold!
7. 8th Grade Softball played their best game yet against Park! Even though they lost there were some key plays by Yaira Martinez and Sofia Cabrera. Hailey Brudd led the team with her awesome pitching and Amber Salazar made big waves with her at bats. Come out on Friday for our last home game against Pleasantdale.
