7. The results are in and the Gurrie cross country team is officially back on top! At the LT Conference Championships yesterday both the boys and girls teams won their respective championships! That also locked down the “Best Overall Team” trophy and became the first school to have a “clean sweep” of all three championship crowns. A huge congratulations to Charlotte Lange that started the night off with the toughest race to date. Although the Highlands runner was favored to win, Charlotte decided it was her turn. She stayed with the leader every step of the way and took her down during the final sprint. Charlotte’s first place finish was followed closely by Roz Pagnarelli in 5th, Reese Metz in 6th, Gabi Sanchez in 9th and Anna Bylsma in 10th. Alyssa Wong rounded out the pack with a 15th place finish.

The boys were led by a strong 1-2 punch of Nik Polonowski and Aidan Collins who dominated the race with a 1st and 2nd place finish. They led the whole way and were followed closely by the strongest pack of the year. John Barrette and Maks Washcuk finished 4th and 5th overall with 8th grader Calum Rogers running out of his mind with an incredible 8th place overall finish. The boys total points of 20 is the lowest total in conference history! With two individual champions, two team championships and “best overall team” trophy, it was truly a season for the record books. Congrats on an incredible season. We’ll see you all today after school for uniform turn-in.
