4.       Do you like pizza? Do you like friendly competition? 7<sup>th</sup> Avenue School has challenged Gurrie for our annual Change War competition. Let's show our Gurrie pride and take them down like a tiger! We have a goal to make this challenge a success. Gurrie must raise a minimum of \$600 and raise more money than 7<sup>th</sup> Avenue to win a school-wide pizza party! Last year as a school we raised \$668.24 for this great cause. We can work together to meet and exceed this goal.

Bring your change to school! The "Change War" is taking place from Monday, October 2<sup>nd</sup> until Friday, October 13<sup>th</sup> during lunch. Gurrie Middle School's Early Act Club is sponsoring this fundraiser with the proceeds going to the Rotary Foundation.

So what is Polio and why should we do this? This potentially deadly infectious disease spreads from person to person and can invade and infected person's brain and spinal cord, causing paralysis. The vaccination is inexpensive, only 60 cents. Rotary, along with other partners, has reduced polio cases by 99.9 percent worldwide. We are so close to eradicating this disease and our efforts can make a difference. So bring your change to lunch!
