1. The Fenwick Junior High Math Competition will take place in November and Gurrie is looking for at least 6 students to participate. If you are interested in participating, please see your math teacher or Mrs. Eiternick for more information!
2. Early Act Club is helping homeless Veterans for Stand Down Day. These events are organized by the U.S. Department of Veteran Affairs. Stand Down is typically a one-to three-day event providing supplies and services to homeless Veterans, such as food, shelter, clothing, health screenings, VA Social Security benefits and counseling. Early Act is asking community members to donate clean and gently used men's winter coats in sizes L, XL, 2XL, 3XL, 4XL. The coats are needed in the larger sizes as the veterans layer their clothing for warmth in the winter. We will also accept Men's winter hats and gloves. Women's clothing is not being accepted at this time. We ask that coats are clean, gently used, and in good usable condition. Donations can be dropped off in Mrs. Rupert's Room 109 until November 10th.
3. There will be an Early Act Meeting on Thursday, November 2nd in Mrs. Rupert's room. All Gurrie students are welcome to attend.
4. Dare to Dream will be meeting with Ms. Ramirez today October 31 in room 102A. We will be working on our calaveras.

6. Do you love to perform, act, or speak in front of an audience? Or do you want to get over your stage fright and gain the confidence you need to be on stage? If you answered "Yes" to either question, then come to the initial meeting for Gurrie's Speech Team on Thursday after school in Mr. Ingwersen's room. You'll get information for possible performances, some practice scripts, and we'll play some improv games (if time allows). If you can't make it and are interested in joining the Speech Team, see Mr. Ingwersen as soon as you can.
7. Attention anyone interested in the Battle of Books, today is the day to get your teams signed up if you have not done so already. The link is on the library website. If you have any questions, See Mrs. Sutsser.
8. Thanks you to all who entered the contest to design the cover of this year's yearbook which will have the theme, "Music brings us all together." We received several talented entries, and it was so hard to pick just one. But the yearbook team, including both 7th and 8th graders, chose the one belonging to 8th grader Stephy Ledezma. Stephy will receive a free 2018 yearbook and will work with a professional designer next week to incorporate her design into our cover. Way to go!
9. Reminder there is no Fusion today! Happy Trick or Treat!!!
10. Are you interested in learning to build an underwater robot? Do you like to compete and want to defend the Gurrie title? Underwater Robotics STEM club will have its interest meeting this Thursday from 3:30 – 4:00 in room 113. You will receive the application and go over the expectations of the club. See Mrs. Halper if you have any questions!
