1. Do you want to help people in our community? Early Act Club is sponsoring a canned food drive for St. Cletus' food pantry. The pantry provides non-perishable food items, paper goods, and some personal supplies to approximately 200 families in our community to help supplement their needs and ease their worries. They also provide emergency food assistance. Please bring non-perishable food items or toiletries to advisory. The advisory that collects the most items will win a pizza party. See Mrs. Rupert if you have any questions.
2. Are you interested in helping our community while having fun with friends? You have 2 opportunities for service hours through the Early Act Club. On Friday, September 22nd, the club needs help after school delivering canned goods to St. Cletus. Also, we are having a car wash to benefit the District 105 Foundation at Seventh Avenue School on Sunday, September 24th. Join the fun and make a difference. See Mrs. Rupert in room 109 for details.

4. Last minute change, the PTO will be serving ice cream sandwiches instead of nachos today.
5. Today starts Hispanic Heritage month and will go until October 15th. Tomorrow September 16th will be Mexican Independence Day. Mexico used to be called New Spain but it separated from Spain on September 16th 1810 and renamed itself to the current name of Mexico. Some of the causes of the separation was that Spain was forcing the indigenous population to work as “encomendados” a form of slavery, raised the taxes of the citizens of New Spain and would not allow it’s Criollo population to participate in its political structures. The priest Miguel Hidalgo y Costilla brought all of the indigenous and criollo population in arms against the Spanish monarchy on the night of September 15th 1810 where it has become known as the scream of independence.

Hoy comienza el mes de la Herencia Hispana y continuara hasta el 15 de octubre. Manana 16 de septiembre sera dia de la independencia Mexicana. Mexico se llamaba Nueva Espana, pero se separo de Espana el 16 de septiembre de 1810 y se rebautizo con el nombre actual de Mexico. Algunas de las causas de la separacion fue que Espana obligaba a la poblacion indigena a trabajar como “encomendados” una forma de esclavitud, elevo los impuestos de los ciudadanos de Nueva Espana y no permitio que su poblacion criolla participara en sus estructuras politicas. El sacerdote Miguel Hidalgo y Costilla trajo toda la poblacion indigena y criolla en armas contra la monarquia espanola en la noche de 15 de septiembre de 1810 donde se ha convertido en el grito de independencia.
