The play of the game was an out at home plate with Jackson Kirk with the throw and Victor Herrejon with the tag. Despite the loss, the Tigers had a great game.
5.      Yesterday the girls took on Pleasantdale Middle School. 7<sup>th</sup> grade fought hard but fell short. The defense overall had some big plays with key steals from Grace Sneed and Emma Kallal. 8<sup>th</sup> grade also fell short but the offensive was in sync at times with key assists down the stretch from Leslie Mendoza and offensive play from Erika Betancourt and Gaby Sanchez. Game play resumes today at Willow Springs.
6.      There is an EMM Meeting today for NEW MEMBERS and 8<sup>th</sup> grade CURRENT MEMBERS. Stay tuned for a date/time for the ALTERNATE MEETING for EMMers in sports that cannot make the meeting today after school.

Shout out to the 12 8<sup>th</sup> grade EMMers who volunteered yesterday after school at Project CURE. They helped prepare a shipment to Nigeria and organized a large section of the newly moved in warehouse. Way to be AWESOME!

7. Early Act Club wants to thank all the students, teachers, Board members, Foundation members, parents and others who came out to help with our second annual Car Wash. A special thanks goes to Eric Bryant for all his help and support to the club. With everyone's great effort, we were able to donate \$899 to the District 105 Foundation. Thank you to all who helped make a difference in our community.
8. The Boys Softball Team played Pleasantdale away yesterday and put up a tough fight. With excellent pitching from both Colin and Elias, and back-to-back homeruns from Shane and Tonio, the team worked hard. Unfortunately, both boys teams came up short.
