Service

Gurrie Activity Council (formerly Student Council)

Mr. Sullivan

jsullivan@d105.net

Mr. Ingwersen

ringwersen@d105.net

The Gurrie Student Activity Council is open to all Gurrie students. This new group focuses less on school government and more on events that promote school spirit, social activities, and service to others. We call it S³: Spirit, Social, and Service. Students have the opportunity to work together to plan spirit days (“Wear your yellow and blue!”), dances, and service projects such as Project Linus. In addition, GAC members will meet quarterly to discuss advisory activities. GAC Students are also in charge of selling tickets during lunch for all Fun Nights and dances.

Students can join the Gurrie Activity Council by contacting the club sponsors, and officers are elected from within the group. Meetings will be held on announced days after school.

Bully Prevention Club

Mrs. Burger

aburger@d105.net

The Bully Prevention club is open to all Gurrie students interested in helping create a Bully-Free, positive climate of Being Respectful, Ready and Safe at Gurrie Middle School. Members of the club will be involved in designing posters, creating and presenting lessons or skits to students on ways to identify and respond to bullying, and assist with planning activities, assemblies, and events to educate students, staff and the community about bully prevention. Through these various activities students will develop leadership skills and public speaking skills. This club will meet monthly after school.

Early Act

Mrs. Rupert

krupert@d105.net

Ms. Zalewska

szalewska@d105.net

The Early Act club is open to all Gurrie students interested in community involvement, learning about other cultures, and working with friends to help other people. Early Act meets the first and third Wednesday of every month throughout the school year.

EMM (Every Monday Matters)

Mrs. Kulaga

lkulaga@d105.net

EMM is a service club open to all Gurrie students. Students who join EMM are expected to attend the meetings. Meetings will be held on the 1st and 3rd Monday of every month. Permission slips, planning and important information will be distributed during the meetings. We want active, enthusiastic, and dedicated members. Bring your ideas for new/other service projects to the meetings! Parents are always welcome to help out and attend the service projects.

Stage Crew

Mrs. Gjoni

agjoni@d105.net

Stage crew is open to any Gurrie student interested in learning how to operate the audio-visual equipment and the lighting for Gurrie concerts and other productions. In addition, students have the opportunity to work on scenery for the Spring All District Musical.

Yearbook

Mrs. McGovern

jmcgovern@d105.net

Yearbook is open to any Gurrie student who is interested in working to put together the Gurrie yearbook. They usually meet on Thursdays.

Green Team

Mr. Driscoll

sdriscoll@d105.net

Mr. Eigel

meigel@d105.net

Green Team is open to all students who care about the planet, who don't mind occasionally playing in the dirt (planting and weeding) and are interested in all creatures great and small (especially butterflies and mallard ducks!)

Fun and Challenge

Dare to Dream Latina Club

Ms. Ramirez

mramirez@d105.net

Dare to Dream is a club geared toward Latina girls in both 7th and 8th grade. Girls will have the opportunity to engage in cultural crafts and share their diverse knowledge. The club is open to be further developed by the girls' ideas. Also, 8th grade girls will have the opportunity to attend 2 conferences: one at College of DuPage

and one at Fermi Lab. Girls will have the opportunity to meet amazing Latina women in STEM fields!

IMSA Fusion

Mr. Eigel

meigel@d105.net

Mr. Sullivan

jsullivan@d105.net

Mrs. Kowynia

mkowynia@d105.net

IMSA Fusion is a program bringing together math, science and engineering. Each semester students complete a different module such as Twisted and Tangles-looking at the way the mind works; Secrets Revealed-decoding. It meets every Tuesday each week from 3:45-5:45. This program is for students who are talented, interested and motivated in mathematics and science. There is an application process to be completed each module. Module 1 is held September through January. Module 2 is held January through May. This is in partnership with District 101 and the Illinois Math and Science Academy.

Math Team

Ms. Zalewska

szalewska@d105.net

Math Team is open to all students in grades 2 through 8 and practice is held once a week after school at Gurrie. The season generally starts in October and runs through March. Throughout the season students will have many opportunities to participate in a variety of math competitions, including the Illinois Math League. Practices are dedicated to preparing for those different competitions. Joining math team is a great way to meet other people who enjoy math.

Speech Team

Mr. Ingwersen

ringwersen@d105.net

Speech team is open to Gurrie students through an audition process. Students who are interested in participating on the Speech team are required to memorize a short piece and present it at the start of December. After the team has been chosen individuals meet with staff members who act as coaches. Practice times are usually before or after school or during lunch periods, and are arranged between individual coaches and team members. Speech team activities culminate in a West 40 competition held in late winter of every year.

STEM: Underwater Robotics

Ms. Solano

jsolano@d105.net

Mrs. Kowynia

mkowynia@d105.net

In collaboration with the Shedd Aquarium, Gurrie Middle School is offering a new and exciting club for students to be a part of. Students will learn engineering, programming, and robotics while designing an underwater remotely operative vehicle or ROV. The goal of this hands-on club is to engage students in STEM and expose them to science and technology careers; as well as encourage students to develop and apply technical, teamwork, and problem solving skills. The club members will participate in a final state-wide competition at the Shedd Aquarium in March, testing their ROV's skills in the water. The club will meet weekly for about 90 minutes beginning in late October.

Battle of the Books

Mrs. Sutsser

jsutsser@d105.net

Gurrie's Battle of the Books is a reading incentive competition where students collaboratively read books from a list of 20 titles.

Students come together in their teams to demonstrate their abilities and test their knowledge of the books they have read. Gurrie will host a school battle in February to determine the top two teams to advance to the Inter-School Battle against Highlands, McClure, Park and Pleasantdale.

RPG Club (Role Playing Game)

Mr. Walsen

dwalsen@d105.net

RPG Club is a gaming club centered on Role-Playing-Games (RPGs). One central theme of RPGs is having its players (Gurrie students) create, construct, and design their own unique characters. Once their characters are created, the players (Gurrie students) will take on their roles and play cooperatively, encountering different challenges and scenarios as an adventuring party/group. The party/group (Gurrie students) will need to work together in order to succeed and overcome hardships and difficulties along the way. Meetings are typically afterschool on Fridays.
