

Dear 8th Grade Parents and Students:

As you know, the traditional Gurrie graduation dance will not be held this year. The committee had begun planning for the event and we know the “secret theme” is always very exciting for the students. Even though it won’t be a big surprise when they walk into the Gurrie Gym, we want to reveal the theme now and offer some fun ideas that your family can do the evening of **Friday, May 22** when the dance would have taken place. (Look for another email that week, too, as we may be able to have a goody bag for your student when they pick up their locker belongings.)

Ready? The theme is ... wait for it ... wait for it ... please print this out and hand it to your Gurrie graduate!

GURRIE CLASS OF 2020
