Use of Technology – Mobile Hotspot Agreement

Selected students across the district will have the opportunity to be issued a mobile hotspot to provide Internet access for their Chromebook at home. This document provides students and their parents/guardians with information about the responsibility of taking part in this optional program.

Students and their parents/guardians are reminded that use of District Technology is a privilege and not a right and that everything done on any District-owned computer, network, or electronic communication device may be monitored by school authorities. Inappropriate use of District Technology can result in limited or banned computer use, disciplinary consequences, removal from courses, loss of credit, receiving a failing grade, and/or legal action.

To understand the expectations of District 105, students and their parents/guardians are responsible for reviewing the District's Use of Technology Policy.

Ownership of Mobile Hotspot

District 105 retains sole right of possession of the mobile hotspot. The mobile hotspot is lent to students for educational purposes. Moreover, District 105 administrative staff and faculty retain the right to collect and/or inspect mobile hotspots at any time, including via electronic remote access, and to alter, add or delete installed software or hardware.

Responsibility for the Mobile Hotspot

Students are solely responsible for the mobile hotspot issued to them and must adhere to the following:

- Students must comply with the District's Use of Technology Policy when using their mobile hotspot.
- Students should leave their mobile hotspot at home. The purpose of this device is to guarantee our students are connected to the Internet when they are at home.
- Students may not use the mobile hotspots at school.
- Students must treat their device with care and never leave it in an unsecured location.
- Students must promptly report any problems with their mobile hotspot to the building Library Media Specialist (LMS).
- Students may not remove or interfere with the serial number and other identification tags.
- Students may not attempt to remove or change the physical structure of the mobile hotspot.
- Students may not attempt to change the software on the mobile hotspot or reset the device's settings.
- Only the district provided Chromebook assigned to your student will be allowed to connect to mobile hotspot.

Responsibility for Electronic Data

Users of District Technology have no rights, ownership, or expectations of privacy to any data that is, or was, stored on their Chromebook via a mobile hotspot, school network, or any school-issued applications and are given no guarantees that data will be retained or destroyed.

Spare Equipment and Lending

If a student's mobile hotspot is inoperable, the school has a limited number of spare devices for use while the student's mobile hotspot is repaired or replaced. This agreement remains in effect for loaner devices. The student may not opt to keep an inoperable mobile hotspot to avoid doing class work due to loss or damage.

Warranty and Responsibility

The District will repair or replace damaged equipment resulting from normal use. All other breakages will be the responsibility of the student to pay for at the current price of a replacement. The District will make its best attempt to purchase replacement parts at the best possible price. Loss or theft of the device is also the student's responsibility and will result in the student being charged the full replacement cost to purchase a new device.

Signature Form

By signing the below, the student and their parent/guardian agree to follow and accept:

- Use of Technology Policy
- The Mobile Hotspot Agreement
- The Chromebook Procedures and Information for Students and Parents Guide/Handbook
- That District 105 owns the mobile hotspot.
- If the student ceases to be enrolled in La Grange School District 105, the student/parents will return the mobile hotspot in good working order or pay the full replacement cost of the device.
- In no event shall District 105 be held liable to any claim of damage, negligence, or breach of duty.
